## 1 biography

### 1.1 basic

**name** elvin aslanov

**location** baku, azerbaijan

**birthdate** june 9, 1992 (gemini)

### 1.2 education

**formal education** bachelor's degree on computer engineering

**certification** linux professional institution lpic-2 (*pdf attached*)

**language** english (fluent) *generally being a self-taught and self-learner (ie. autodidactic) on life and work (thanks to open access web)*

### 1.3 contacts

**email** rwp@disroot.org

**irc** \_rwp (freenode)

**xmpp** : rwp@disroot.org

## 2 unix

as an umbrella term covering the software below listed

### 2.1 perl

**perl programming and system administration using core and cpan distributions**

**heavy use and avid interest in perl programming language system**

### 2.2 openbsd

**complete operating system from bsd family ready to be deployed**

**deployment and configuration of various base and ports unix daemons**

## **2.3 postgresql**

## **2.4 emacs**

editor, and integrated development environment

## **2.5 texlive**

typesetting system

# **3 interests**

interests i invest my time on

## **3.1 books**

major books read(ing), and learned from

1. learning perl[3]
2. intermediate perl[1]
3. mastering perl[2]
4. programming perl[6]
5. perl cookbook[5]
6. mastering perl tk[4]

## **3.2 mailing lists**

perl porters

openbsd tech

emacs devel

postgresql hackers

## **3.3 social**

wikipedia, openstreetmap, github

i spend time reading wikipedia articles (and also wiktionary pages), explore openstreetmap objects, and watch github for commits on projects i'm interested in
