resumé

elvin aslanov (rwp) *

March 26, 2021

---

1 biography

1.1 basic

name elvin aslanov

location baku, azerbaijan

birtdate june 9, 1992 (gemini)

1.2 education

formal education bachelor's degree on computer engineering

certification linux professional institution lpic-2 (*pdf attached*)

language english (fluent) *generally being into a self-taught and self-learner (ie. autodidactic) on life and work (thanks to open access web)*

1.3 contacts

email rwp@disroot.org

irc `_rwp` (freenode)

xmpp : `rwp@disroot.org`

2 unix

as an umbrella term covering the software below listed

2.1 perl

perl programming and system administration using core and cpan distributions heavy use and avid interest in perl programming language system

2.2 openbsd

complete operating system from bsd family ready to be deployed deployment and configuration of various base and ports unix daemons

2.3 postgresql

2.4 emacs

editor, and integrated development environment

2.5 texlive

typesetting system

3 interests

interests i invest my time in

3.1 books

major books read, and learned from

1. learning perl[3]

2. intermediate perl[1]

3. mastering perl[2]

4. programming perl[6]

5. perl cookbook[5]

6. mastering perl tk[4]

3.2 mailing lists

perl porters

openbsd tech

emacs devel

postgresql hackers

3.3 social

wikipedia, openstreetmap, github
i spend time reading wikipedia articles (and also wiktionary pages), explore
openstreetmap objects, and watch github for merged pull requests on projects
i'm interested in
